Introduction to Photography Skills

Coleg y Cymoedd
Business and International Services
Gwasanaethau Busnes a Rhyngwladol

Awarding body: Coleg y Cymoedd

Duration: 10 weeks

Aimed at:

This course is suitable for post 16, school pupils studying GCSE and A level, students studying on existing creative courses or mature learners.

Course description & subjects covered:

This short taster course aims to offer anyone interested in photography an introduction to basic image creation. While gaining and understanding of basic exposure principles, the course will explore different aspects of photography.

Participants will gain some understanding of the skills involved in constructing an image using visual language and in camera techniques. There will also be an opportunity to gain an understanding of photography in a wider historical and contemporary context.

Subjects covered:

- Introduction to subject area, the power of the image
- Understanding the principles of exposure
- Learning to see light
- Arranging your composition
- Using your digital camera to its full potential

Assessment:

There are no formal assessments for this course.

Candidates required to provide:

Learners are required to bring their own digital camera to the course.

Entry requirements:

There are no formal entry requirements for this course.

Cost:

£95.00
