

Termau Dylunio a Thechnoleg

Design and Technology Terms

Cymraeg – Saesneg

addurn(iadau) – decoration(s)

adlynol – adhesive

ailddefnyddio – reuse

ailgylchu – recycle

allbwn/allbynnau – output(s)

amddiffyniad catodig – cathodic protection

anarferiant bwriadus – planned obsolescence

anarferuant – obsolescence

anhyblygedd – rigidity

anodeiddio – anodize

ansawdd(ansoddau) – texture(s)

anthropometreg – anthropometry

araen(au) – coat(s)

arloesedd – innovation

asesiad risg – risk assessment

asio – blend

atgyweirio – repair

braslunio – sketch

cadwolyn / cadwolion – preservative(s)

caledwch – hardness

clyfar – smart

cost(au) – cost(s)

cryfder tynnol – tensile strength

cydran(nau) – component(s)

cydweithio – collaborate/ collaboration

cyfarpar – equipment

cymdeithasol – social

cynaliadwyedd – sustainability

cynhyrchu – produce

cynllunio gyda chymorth cyfrifiadur (CAD) – computer-aided design (CAD)

cynnal a chadw – maintenance

cynnyrch – product

cywasgiad – compression
darlun(iau) – illustration(s)
darlunio – illustrate
deunydd(iau) cyfansawdd – composite material(s)
deunydd(iau) dros ben – surplus material(s)
diagram(au) adeiladu – building diagram
diagram(au) cylched – circuit diagram(s)
diogel – safe
dirdro – torsion
diriant / diriannau – stress(es)
di-wifr – wireless
diwydiannol – industrial
diwydiant/diwydiannau – industry/industries
domestig – domestic
dull(iau) – method(s)
dull(iau) cau – fastening(s)
dull(iau) distrywiol – destructive method(s)
dyfais/dyfeisiau wedi'i mewnblannu – embedded device(s)
dyluniad(au) cofrestredig – registered design(s)
dylunydd/dylunwyr – designer(s)
dynamig – dynamic
edafedd – yarn
egni – energy
eiddo deallusol – intellectual property
elasitgedd – elasticity
ergonomeg – ergonomics
estheteg – aesthetics
farnais – varnish
ffabrig(au) – fabric(s)
ffactor(au) – factor(s)
ffasiwn(fasiynau) – fashion(s)
ffibr(au) – fibre(s)
ffynhonnell/ffynonellau – source(s)

galfaneiddio – galvanise
gorffeniad – finish
gorffeniad arwyneb – surface finish
gosodiad(au) – setting(s)
gwaredu – disposal
gwastraff – waste
gweithgynhyrchu – manufacture
gwerthuso – evaluate
gwydnwch – resistance
hawl(iau) – right(s)
hawlfraint/hawlfreintiau – copyright(s)
hydwythedd – ductility
hylosgiad – combustion
lamineiddio – laminate
lled parhaol – semi-permanent
llwybr(au) critigol – critical path(s)
marchnata – marketing
masnachol – commercial
mecanyddol – mechanical
menter/mentrau – enterprise(s)
metel(au) – metal(s)
modelu – modelling
modern – modern
moesegol – ethical
moesol – moral
niwmatig – pneumatic
nod(au) masnach cofrestredig – registered trademark(s)
offer – equipment
paent – paint
parhaol – permanent
partwm mwslin – muslin pattern
peirianeg gyda chymorth cyfrifiadur (CAE) – computer-aided engineering (CAE)
platio – plate

plygu – bend

polymer(au) – polymer(s)

pren – wood

propteip(iau) – prototype(s)

proses(au) – process(es)

proses(au) (g)orffennu – finishing process(es)

pwysau – weight

rheoli – control

rheoli ansawdd – quality control

Sefydliad Safonau Prydeinig (BSI) – British Standards Institution (BSI)

Sefydliad Safoni Rhyngwladol (ISO) – International Standardization Organisation (ISO)

sgil gynnyrch / sgil gynhyrchion – by-product(s)

siart llif – flowchart

statig – static

storio – store

straen – stress

system brofi / systemau profi – test system(s)

system(au) – system(s)

techneg(au) – technique(s)

technolog patrymau arwyneb – surface pattern technology

technolegydd / technolegwyr – technologist(s)

tecstil(au) – textile(s)

theori/theroïau – theory/theories

trawsyrru – transmit

tyniant – traction

Saesneg – Cymraeg

adhesive – adlynol

aesthetics – estheteg

anodeiddio – anodize

anthropometry – anthropometreg

bend – plygu

blend – asio

braslunio – sketch

British Standards Institution (BSI) – Sefydliad Safonau Prydeinig (BSI)

building diagram(s) – diagram(au) adeiladu

by-product(s) – sgil gynnyrch / sgil gynhyrchion

cathodic protection – amddiffyniad catodig

circuit diagram(s) – diagram(au) cylched

coat(s) – araen(au)

collaborate/collaboration – cydweithio

combustion – hylosgiad

commercial – masnachol

component(s) – cydran(nau)

composite material(s) – deunydd(iau) cyfansawdd

compression – cywasgiad

computer-aided design (CAD) – cynllunio gyda chymorth cyfrifiadur (CAD)

computer-aided engineering (CAE) – peirianeg gyda chymorth cyfrifiadur (CAE)

control – rheoli

copyright(s) – hawlfraint/hawlfreintiau

cost(s) – cost(au)

critical path(s) – llwybr(au) critigol

decoration(s) – addurn(iadau)

designer(s) – dylunydd/dylunwyr

destructive method(s) – dull(iau) distrywiol

disposal – gwaredu

domestic – domestig

ductility – hydwythedd

dynamic – dynamig

elasticity – elastigedd

embedded device(s) – dyfais/dyfeisiau wedi'i mewnblannu
energy – egni
enterprise(s) – menter/mentrau
equipment – cyfarpar
equipment – offer
ergonomics – ergonomeg
ethical – moesegol
evaluate – gwerthuso
fabric(s) – ffabrig(au)
factor(s) – ffactor(au)
fashion(s) – ffasiwn(fasiynau)
fastening(s) – dull(iau) cau
fibre(s) – ffibr(au)
finish – gorffeniad
finishing process(es) – proses(au) (g)orffennu
flowchart – siart llif
galvanise – galfaneiddio
hardness – caledwch
illustrate – darlunio
illustration(s) – darlun(iau)
industrial – diwydiannol
industry/industries – diwydiant/diwydiannau
innovation – arloesedd
intellectual property – eiddo deallusol
International Standardization Organisation (ISO) – Sefydliad Safoni Rhyngwladol (ISO)
laminated – lamineiddio
maintenance – cynnal a chadw
manufacture – gweithgynhyrchu
marketing – marchnata
mechanical – mecanyddol
metal(s) – metel(au)
method(s) – dull(iau)
modelling – modelu
modern – modern

moral – moesol
muslin pattern – partwm mwslin
obsolescence – anarferuant
output(s) – allbwn(allbynnau)
paint – paent
permanent – parhaol
planned obsolescence – anarferiant bwriadus
plate – platio
pneumatic – niwmatig
polymer(s) – polymer(au)
preservative(s) – cadwolyn / cadwolion
process(es) – proses(au)
produce – cynhyrchu
product(s) – cynnyrch/cynhyrchion
prototype(s) – propteip(iau)
quality control – rheoli ansawdd
recycle – ailgylchu
registered design(s) – dyluniad(au) cofrestredig
registered trademark(s) – nod(au) masnach cofrestredig
repair – atgyweirio
resistance – gwydnwch
reuse – aildefnyddio
right(s) – hawl(iau)
rigidity – anhyblygedd
risk assessment – asesiad risg
safe – diogel
semi-permanent – lled barhaol
setting(s) – gosodiad(au)
smart – clyfar
social – cymdeithasol
source(s) – ffynhonnell/ffynonellau
static – statig
store – storio
stress – straen

stress(es) – diriant / diriannau
surface pattern technology – technoleg patrymau arwyneb
surface finish – gorffeniad arwyneb
surplus material(s) – deunydd(iau) dros ben
sustainability – cynaliadwyedd
system(s) – system(au)
technique(s) – techneg(au)
technologist(s) – technolegydd / technolegwyr
tensile strength – cryfder tynnol
test system(s) – system brofi / systemau profi
textile(s) – tecstil(au)
texture(s) – ansawdd(ansoddau)
theory/theories – theori/theroïau
torsion – dirdro
traction – tyniant
transmit – trawsyrru
varnish – farnais
waste – gwastraff
weight – pwysau
wireless – di-wifr
wood – pren
yarn – edafedd
