

Site Supervisor Safety Training Scheme (SSSTS)

Coleg y Cymoedd
Business and International Services
Cwasanaethau Busnes a Rhyngwladol

Awarding body: CITB

Duration: 2 days

Aimed at

This course is suitable for all site supervisors and managers.

Course description & subjects covered

The Site Supervisors Safety Training Scheme provides supervisors with an understanding of health, safety, welfare and environmental issues, as well as the legal responsibilities they have relevant to their work activities. It also actively promotes the requirement to champion Health & Safety in order to supervise effectively.

On completion of the course, delegates will have an understanding of:

- Health and safety law and how it applies to supervisors
- Your supervisory responsibilities in controlling site safely
- Risk assessments and the need for method statements
- Efficient site inductions, toolbox talks and method statement briefings
- Monitoring site tasks effectively
- Suitable mediation when bad practice is detected

Accreditation is valid for 5 years. To uphold certification a refresher course must be completed before the expiry date on your certificate. Failure to conform will initiate the full course being renewed.

Assessment

This course includes a 25 question multiple choice exam and a written assessment.

Entry requirements

Delegates should be competent in English. ESW Level 1 in Communication is also recommended.

Candidates required to provide

You will need to provide your National Insurance Number and a valid ID for the course e.g. passport or driving licence.

Cost

£295.00
