

# ILM - Leadership & Team Skills

Level: 2

Awarding body: ILM

Duration: 4 Digital Workshops

## Aimed at

This digital course is suitable for practicing team leaders, helping you become more effective and confident in your role. This course also supports new or aspiring team leaders, helping you make the transition from working in a team to leading a team.

## Course description & subjects covered

This digital course consists of 3 online workshops covering a wide range of skills, knowledge and understanding. The workshops will focus on communication, working with people, providing direction and leadership and getting results - from problem-solving to planning and monitoring workloads.

### During this course, you will cover the following units:

- Understanding change in the workplace
- Developing yourself as a Team Leader

### Benefits for individuals

- Learn core leadership and management skills
- Put these skills into practice in your workplace
- Improve your team's performance
- Get nationally recognised qualifications

### Benefits for employers

- Motivated and competent team leaders
- Increased productivity
- Customise these qualifications to suit organisational and individual needs

## Assessment

During this course, you will be assessed through set questions. You will also be required to produce and deliver a presentation as part of your assessment.

## Entry requirements

Whilst there are no formal entry requirements for this course, a good level of verbal and written English would be beneficial to complete the assessments.

## Candidates required to provide

You will need to provide identification (e.g. Passport or Driving Licence). If you are enrolling through ESF, you will need to provide further identification and proof of employment (or self-employment). Presentations from the workshops and the marking scheme will be provided. Additional reading material may be suggested by the tutor, but is not required.

## Cost

From £225.00 per person\*
