

ILM Award for Aspiring Managers

Level: 5

Awarding body: ILM

Duration: 2 online workshops

Aimed at:

This digital course is ideal for individuals who currently have no management experience but are looking to develop into a management role.

Course description & subjects covered:

This digital course consists of 2 online workshops covering core management skills, such as solving problems, making decisions and being a leader of innovation and change.

During this course, you will cover the following units:

- Unit 504: Leading Innovation and Change
- Unit 501: Managing Improvement

Benefits for individuals

- Gain a range of key management skills and build your leadership capabilities
- Develop your leadership and management skills whilst gaining a recognised qualification

Benefits for employers

- Better relationships and communication in teams
- Cover current and future skills gaps through upskilling

Entry requirements:

Whilst there are no formal entry requirements for this course, a good level of verbal and written English would be beneficial to complete the assessments.

Assessment:

During this course, there will be an assessment to be completed for each workshop.

Candidates required to provide:

You will need to provide identification (e.g. Passport or Driving Licence). If you are enrolling through ESF or PLA, you will need to provide further identification and proof of employment (or self-employment) - Additional documents may be required if enrolling through one of these funding programmes.

Cost:

£525.00*

**Funding may be available - Please contact us for further information*
