

## Aimed at

This course is suitable for personnel involved in the electrotechnical sector such as electricians, designers and inspectors who wish to gain an understanding of BS 7671 and update their knowledge to the IET Wiring Regulations Eighteenth Edition.

*This EAL Level 3 qualification is equivalent to City & Guilds 2382.*

## Course description

The 18th Edition course is a three day course, level 3 awarded, which gives the learner an understanding of the application of the IET Wiring Regulations 18th Edition (including all amendments). It provides a facility for individuals working in the electrotechnical sector to develop and/or enhance their knowledge of the Requirements for Electrical Installation.

## What could this qualification lead to?

Upon completion of this could, you could progress to:

- EAL Level 3 NVQ Diploma in Installing Electrotechnical Systems and Equipment (Buildings, Structures and the Environment)
- EAL Level 3 Electrotechnical Qualification
- EAL Qualifications in Environmental Technology Systems
- EAL Level 3 Award in the In-Service Inspections and Testing of Electrical Equipment (PAT)
- EAL Level 4 Award in the Design and Verification of Electrical Installations
- EAL qualifications in inspection and testing

## Assessment

This course is assessed through a 2 hour, 60 question exam.

## Entry requirements

Learners must be at least 16 years old (must be 19+ to access through PLA funding). There are no formal entry requirements for the qualifications. However, learners must have the potential to achieve all aspects of the qualification. In particular, learners should be able to demonstrate that they have the minimum levels of literacy and numeracy required for the completion of the learning outcomes and the assessment.

## Cost

Fully funded through PLA Funding\*
