Entry Requirements

For most courses, your level of study will depend on the grades you achieved at school, but the opportunity is there for you to work your way up.

For detailed information and entry requirements on any of our courses, visit the course on our website:

www.cymoedd.ac.uk/courses

If you don't meet the entry requirements for your chosen course, you may still be able to study the subject but at a different level. Please discuss with Admissions.

Skills Sessions

We understand how important skills are for all learners. Good communication and digital skills will help you progress through college and on to university or employment. Alongside your course you will attend core sessions every week.

You may have the opportunity to re-sit your GCSE English and Maths (depending on grades already achieved).

Welsh at the College

The Welsh language and culture is important to us at Coleg y Cymoedd. There are many opportunities for our learners including:

- > Options to study through the medium of Welsh or bilingually (subject to numbers)
- > Activity clubs and societies
- > Welsh-themed events throughout the year
- > And many more

For more information visit our website:
