We explain your support so that you understand your choices (27.4) (4.27).

If you have an additional learning need and want a support plan, we will create a plan for you.

If you don't want support, we won't make a plan but you can ask for help at anytime (4.28).

working with parents/carers

At Coleg y Cymoedd we know parents and carers are important.

- we will ask the learner first **before** we talk to parents or carers.
- the learner decides who they want at their meetings and who helps to make decisions about their support plan
- If the college has been told the learner cannot make this decision (under the Act), we may speak to parents or carers without asking first.

gweithio gyda rhieni/gofalwyr

Yng Ngholeg y Cymoedd rydyn ni'n gwybod bod rhieni a gofalwyr yn bwysig. byddwn yn gofyn i'r dysgwr yn gyntaf cyn i ni siarad â rhieni neu ofalwyr.

- y dysgwr sy'n penderfynu pwy maen nhw eu heisiau yn eu cyfarfodydd a phwy sy'n helpu i wneud penderfyniadau am eu cynllun cymorth
- Os dywedwyd wrth y coleg na all y dysgwr wneud y penderfyniad hwn (o dan y Ddeddf), efallai y byddwn yn siarad â rhieni neu ofalwyr heb ofyn yn gyntaf.
